

### Variety

100% MALBEC

### Vineyards

**Location:** Valle de Uco, Mendoza, Argentina.

**Soil characteristics:** predominantly sandy or stony soils due to its proximity to the mountains.

### Pre-fermentation

### Fermentation

Alcoholic fermentation in stainless steel tanks at temperature with selected yeasts.

### Tasting notes

**Color:** Deep ruby red.

**Aroma:** Reminiscent of red fruits such as raspberry, blueberries.

**Taste:** In the mouth it is powerful and structured with ripe and balanced tannins. It has a freshness of ripe quince with a persistent and elegant finish.

### Technical Data

Alcoholic graduation 13.50% vol.

Total acidity 4.81 g/l

PH. 3,70
