

RESERVA
MALBEC 2023
MENDOZA - ARGENTINA

Variety

100% MALBEC

Vineyards

Location: Agrelo, Maipú, Mendoza, Argentina.

Soil characteristics: rich in nutrients and organic matter.

Pre-fermentation

Fermentation

Alcoholic fermentation in stainless steel tanks at a controlled temperature of 15 - 18 °C in the first stage and 18 - 24 °C in the second stage, with selected yeasts.

Tasting notes

Color: Intense red with violet hues.

Aroma: Ripe red fruits combined with the contribution of vanilla and chocolate thanks to its time in new oak barrels.

Taste: Elegant and structured with soft and persistent tannins. Plum flavors and subtle hints of oak stand out.

Technical Data

Alcoholic graduation 14.70% vol.

Total acidity 5.20 g/l

PH. 3,66
